SHIPPING AND STORAGE BRANCH MEMORANDUM NO. 79.1 - REV. 1
SUPPLEMENT 3

Distribution of Shipping Documents by Destination Office

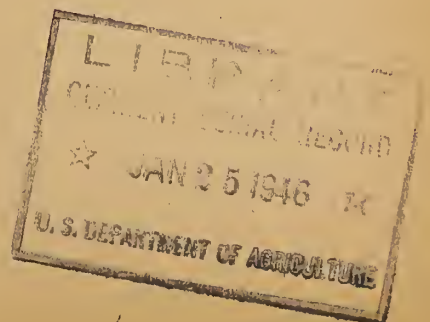

On page 14 of the above entitled memorandum provision is made for the securing and distribution of ocean ladings.

Effective immediately, it will be necessary for "on board" bills of lading for deliveries to the (1) United Nations Relief and Rehabilitation Administration (UNRRA) and the (2) Netherlands Government to be signed only by the Steamship Company. Therefore, it will be unnecessary for UNRRA and the Netherlands Government or their delegated freight forwarders to certify ocean bills of lading as in the past.
